

National White Cane Day Celebration

Hosted By Federal Coffee

Friday Oct 14th At 10:00AM

For blind people, the white cane is an essential tool. We use our other senses to explore and understand the world around us. The white cane, in effect, makes our hands and arms longer. We can avoid obstacles, find steps, find uneven places in the sidewalk, locate doorways, and much more.

Terre Haute Mayor, Duke Bennett, will present the proclamation recognizing this event and Federal Coffee and Fine Foods will be hosting the WILL Center's LIVE program.

Please join us to celebrate!
